“From our roots in technology to the latest in digital, our services give our clients a competitive edge.”

Pactera’s mission is simple. Pactera helps the world’s leading companies stay agile, relevant and engaging in the digital era. Pactera empowers companies to accelerate and scale the development of their products for a global market in a cost efficient manner. Pactera is a true full service provider. We are a “one-stop-shop” for our customers from back end development to front end user-centered experiences.

11 INNOVATE FASTER

Pactera scales development of our clients’ service through fast DevOps innovation. At Pactera, Innovation is our greatest strength. By owning the full cycle of development to product launch, Pactera can streamline innovation and create operational efficiencies downstream. The result is quicker development at scale.

11 BECOME WORLD READY

Pactera gets our clients’ service “World Ready through end-to-end localization. With over 19 years of experience and a global team of 4,000 full time localization experts, Pactera localizes our clients’ products in over 160 languages. Leveraging our cloud-based translation platform and centralized knowledge repository, we can deliver continuous results in 24 hours.

11 SELL MORE

Pactera increases our clients’ conversion rates through ROI-centered digital marketing and powerful brand management. Pactera seamlessly combines deep technology with beautiful and creative experiences that delight our clients’ customers and establish brand loyalty.
